--The Fiddletown CoDA Fellowship is doing well. We have an attendance of anywhere from 3 to 8 people which we think is pretty wonderful for such a small community. We were blessed to receive a significant influx of CoDA literature from a CoDA member whose group in another state had disbanded, so we have a very nice supply for members to purchase. We have talked to a couple of the organizers of the Gold Country Round-up which is an AA sponsored conference held in Plymouth at the Amador Fairgrounds in September. We are thinking a low-key involvement would be good. So we are discussing the possibility of sharing the Al-Anon literature table and having some of our literature available, along with meeting lists. The organizers will get back to me on whether this receives approval from the group.
